By customer request, Show What You Know® Publishing, the leading company in test-preparation, is offering your school **New Pricing** customized to fit any class size. Now the same quality test-preparation materials are offered at special pricing for small intervention classes of 10 to 24 students. Classrooms of 25 or more students can purchase at even **larger discounts** than ever before and receive a **FREE** Teacher Edition with every 25 Student Workbooks.

Show What You Know® Publishing has been in the business for over 15 years producing quality test-preparation materials for your state's assessment tests. Our program is guaranteed to:

- **Raise Test Scores,**
- **Increase Test-Taking Skills,**
- **Reduce Test Anxiety, and**
- **Build Student Confidence.**

All Show What You Know® test-preparation materials:

- Align specifically with your state's specific Standards,
- Are scientifically research-based,
- Teach proven test-taking strategies to increase test scores,
- Help students identify methods for reducing test anxiety,
- Diagnose and identify students' strengths and weaknesses specific to your state Standards,
- Provide pre-test and post-test assessments that model the actual test, and
- Compliment daily instruction.

According to Show What You Know® Publishing President Cindi Englefield, "We believe that educators have done an excellent job teaching their students a rigorous curriculum that is aligned with their state's Standards. We are privileged to partner with educators to provide students with the tools needed to succeed on these important tests."
